October

Fire Prevention Week

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
	1 Replace any alarms that are more than 10 years old.	2 Replace batteries in smoke or CO alarms unless they are the 10-year sealed alarms.	3 If you only have a few alarms, install more to keep your family safe.	4 Have flashlights and batteries in every bedroom.	5 Decorating? Keep all decorations away from heat sources.	6 Use battery operated candles in pumpkins and other Halloween decorations.
7 Fire Prevention Week Plan and practice a home escape plan.	8 Press the test button on smoke alarms so everyone recognizes what it sounds like.	9 Remind family members where the meeting place is.	10 Find two ways out of every room.	11 Make sure all house guests know your escape plan.	12 Practice calling 9-1-1 to report an emergency	13 Teach young children their home address.
14 Practice Stop, Drop, Cover and Roll.	15 Teach small children to stay 3 ft. away from the stove. Take 3 giant	16 Reinforce "Get Out Stay Out."	17 Practice crawling low in smoke.	18 Turn pot handles in when cooking.	19 Practice your home escape plan at night when children are asleep.	20 Do a hunt for home hazards.
21 Stay in the kitchen when cooking. Stand by your pan!	22 Make sure all matches and lighters are away from children.	23 Blow out all candles before leaving any room.	24 Make sure your water heater is set at 120 degrees Fahrenheit.	25 Try your costume on before Halloween. It should be light colored and short enough so you won't trip.	26 Make sure your house number is visible from the street. If not, replace.	27 Make sure Halloween costumes are flame retardant and are reflective.
28 Remind children to never dart out between parked cars and to cross only at the crosswalks.	29 Remind children to stay in a group when out for Halloween.	30 Remind children to cross at the crosswalk.	31 Halloween Small children should be with adults when trick or treating.
